About QUORAM

We stand for Quality and Excellence

QUORAM is an Industry-Leading Supplier and Manufacturer of Electroplating Plants, Pollution Control Plants and relevant machineries. We aim to be the partner of choice for our clients by offering them latest technologies and value aided solutions. The capability of **QUORAM** to anticipate and satisfy the plating market's needs becomes reality with the production of state-of-the-art plating plants and the development of custom-made plants.

We are backed by the visionary leadership of our founders **Mr. Kishor D. Vataliya** and **Mr. Kanti D. Vataliya** who's having invaluable experience of more than 30 years in the field of electroplating. Our unmatched expertise and ability to provide rapid response solutions to operational difficulties and breakdowns have led us to a stature of an industry leader in market.
